

Precision International is pleased to announce that as of Date Code 10134 we have superseded PI # 83826 to 83826V the C- Clutch Piston, it has been changed to Viton from the OE Poly. We also have added an additional VB orifice (PI# 83468, now 4 pieces in kit). These changes affect the following PI part numbers:

K82900F, K82900FX

K8200FW/O, K8200FXW/O

K8200F, K8200FX

****Please contact your PI Sales Rep or Distributor for more Information.**
